START PLANNING

- 1. Start Your Design**
Draw a rough outline of your room.
- 2. Measure your Room**
Measure from the floor to the ceiling, the distance between walls, and from the corners to the trim of doors/windows. Mark the location of all electrical outlets, fixtures, ventilation, plumbing, gas connections, etc.

Measure the doors and windows from outside casing, as well as the height and distance of each from the floor, ceiling, and wall edges.
- 3. Add Cabinetry into Drawing**
Using our cabinets listed inside this brochure, draw in cabinetry. Include all appliances and fixtures that you plan to use in your space.

What is PureStyle?

PureStyle in a crisp, clean white cabinet finish/color cleans up quickly and pairs nicely with other home interiors, making it both a beautiful and practical choice for the kitchen or bath.

ENGINEERED FOR STRENGTH

Wrapped door & drawer front components offer a 5-piece construction that emulates the style of a painted door. Its natural channel accepts fixative for improved door strength and reduces moisture from entering.

UNMATCHED BENEFITS

With less visible changes to surface appearance due to use & aging, PureStyle offers stability & consistency over time.

A PROVEN PERFORMER

PureStyle has been subjected to rigorous Kitchen Cabinet Manufacture Assoc. performance testing & meets or exceeds all certification requirements.

ON-TREND AND IN DEMAND

Color consistency paired with resistance to scratching, fading & surface water mean it delivers fashion without the fuss.

ECHO™ SERIES

Antrim

- Partial Overlay
- Flat Panel Door
- Slab Drawer Front

Standard Construction
